

The image displays a grid of 16 rounded rectangular boxes, arranged in four rows and four columns. The boxes are color-coded by row: the top two rows are purple, the third row is green, and the bottom row is light green. A central box, located in the second row and second column, is highlighted with a grey border. This central box is connected to the boxes immediately above, below, to the left, and to the right of it, forming a cross shape. The boxes are empty and intended for writing or drawing.
